

# Automatic Fire Alarm System Agreement

## Attachment B

### Schedule of AFASP Fees and Charges

Issued under *Automatic Fire Alarm System Agreement  
Terms and Conditions (AFA-C-01)*, clause 11

Field Operations Division

- (1) Fire and Rescue NSW (FRNSW) will levy the fees and charges set out in the following table on each AFASP, and each AFASP must pay to FRNSW such charges in accordance with the Agreement:
- (2) The fees and charges are listed alphabetically.
- (3) The fees and charges indicated do not include GST.
- (4) GST is not applicable to False Alarm Charges
- (5) The billing period will be by calendar month, invoiced on the first working day of the month.
- (6) The AFASP must pay the fees and charges to FRNSW within the time limits specified below:
  - all fees and charges (except False Alarm Charges): within 21 days of the FRNSW invoice date;
  - False Alarm Charges: within 60 days of the end of the month of the FRNSW invoice date.
- (7) The fee and charge amounts will commence on 1 July 2022.

<b>Application Fee</b>	Fee for application for initial connection of applicant AFASP to the FRNSW AFA System.	Initial	\$60,277	N/A	N/A	Advance	The fee is paid on application.

Fee or Charge	Description	Initial, Ongoing, or Per Event	Amount	Billing Period	Billing Period Start Date	Timing	Comments
<b>False Alarm Charge – General</b>	Fine for each AFA false alarm that result in FRNSW attendance. General AFA false alarms are classified according to codes (known as '700' or 'AFA stop' codes) by attending FRNSW officers at the end of incidents.	Per Event	\$1,600	As required	1 <sup>st</sup> of month	Arrears	See <i>Guideline No. 4: Application to Waive AFA False Alarm Charges (AFA-G-04)</i> .
<b>False Alarm Charge – Incorrect Alarm Type – Alarm Message Incorrectly in Domestic Alarm Format</b>	Fine for each AFA false alarm that result in FRNSW attendance. The acceptance of an Alarm Message in Domestic Alarm Format as defined the <i>Fire and Rescue NSW AFA/ESCAD IP Communication System Interface Specification (AFA-S-01, AFA-S-02, AFA-S-03)</i> , when on attendance FRNSW discovers that the Alarm Installation is not a Domestic Alarm.	Per Event	\$1,600	As required	1 <sup>st</sup> of month	Arrears	See <i>Guideline No. 4: Application to Waive AFA False Alarm Charges (AFA-G-04)</i> .

Fee or Charge	Description	Initial, Ongoing, or Per Event	Amount	Billing Period	Billing Period Start Date	Timing	Comments
<b>False Alarm Charge – Incorrect Alarm Type – Alarm Message in Incorrect Alarm Type Field</b>	Fine for each AFA false alarm that result in FRNSW attendance. The Alarm Type field of an Alarm Message is discovered by FRNSW to be incorrect as indicated by the Fire Indicator Panel.	Per Event	\$1,600	As required	1 <sup>st</sup> of month	Arrears	See <i>Guideline No. 4: Application to Waive AFA False Alarm Charges (AFA-G-04)</i> .
<b>False Alarm Charge – Network False Alarm – Alarm Message Indicates Wrong Premises Address</b>	Fine for each AFA false alarm that result in FRNSW attendance. The information supplied in the Address Text field of the Alarm Message does not correspond with the information supplied in an official FRNSW application, and this discrepancy is sufficiently serious in the opinion of the Commissioner to warrant FRNSW attendance at both locations.	Per Event	\$1,600	As required	1 <sup>st</sup> of month	Arrears	See <i>Guideline No. 4: Application to Waive AFA False Alarm Charges (AFA-G-04)</i> .

Fee or Charge	Description	Initial, Ongoing, or Per Event	Amount	Billing Period	Billing Period Start Date	Timing	Comments
<b>Maintenance Fee – First Year</b>	Fee for ongoing maintenance of the new AFASP's FRNSW AFA/ESCAD database and communication system interface in first year of operation.	Initial	\$53,526	12 months	1 <sup>st</sup> of month	Advance	The fee is incurred on the date that FRNSW advises the new AFASP of the success of its application for connection.
<b>Maintenance Fee – Second and Subsequent Years</b>	Fee for ongoing maintenance of the existing AFASP's FRNSW AFA/ESCAD database and communication system interface in second and subsequent years of operation.	Ongoing	\$13,381.50	3 months	1 <sup>st</sup> of month	Advance	
<b>Testing Fee – Additional Service Fee</b>	Fee for provision of additional testing data by prior agreement.	Per Event	\$86.80 per hour + expenses	As required	1 <sup>st</sup> of month	Arrears	See <i>Instruction No. 3: AFASP IP Communication System Interface Testing (AFA-I-03)</i> .
<b>Testing Fee – Retesting Fee</b>	Fee for third and subsequent tests in the event of successive test failures within a test series of an applicant (new) or existing AFASP's FRNSW AFA/ESCAD communication system interface.	Per Event	\$1,603	As required	1 <sup>st</sup> of month	Arrears	See <i>Instruction No. 3: AFASP IP Communication System Interface Testing (AFA-I-03)</i> .
